

RUUD Air Flow Basics

RSD is hosting an Air-Flow trouble shooting class. We will discuss the basics of unit air flow diagnosis and perform hands on air flow measurements using some of the basic tools used to measure air flow. Technicians will walk away with a better understanding on how to measure static pressure and the ability to use the tools to take the measurements correctly.

SPACE IS LIMITED!

- Wednesday, May 8th, 2024
- 8:00am to 10:00am at the Boise branch
- Presented by Todd Soltero of RSD
- Breakfast will be provided
- Cost: \$15 per person / No refunds for absentees
