

Viper Counter Day

RSD is hosting a Counter Day event with Viper. Here you will learn about their latest innovations, including how they work and where you can find success with each product. Products like the Viper coil and condenser cleaner, WetRag putty, Heat-shield blanket, and full lineup of HVAC/R maintenance solutions. This is an opportunity to have any questions you may have answered about Viper products.

FREE EVENT!

- Thursday, May 9th, 2024
- 9:00am to 1:00pm at the Ontario branch
- Presented by James Jones of RCI West-Tech
- This is a free event
