

Appion Counter Day

A2L Compatible HVAC Tools

RSD is hosting a Counter Day event with Appion. Here you will learn about their latest innovations, including how they work and where you can find success with each product. Ones in particular are the G5 Twin and the TEZ 8 HVAC tools that are A2L compatible. This is an opportunity to have any questions you may have answered about Appion products.

FREE EVENT

- Wednesday, May 29th, 2024
- 9:00am to 11:00am at the So. San Francisco branch
- Presented by Trevor Davis of Appion
- This is a free event
