

RLS Counter Day

RSD is hosting a Counter Day event with Rapid Locking System (RLS). Here you will learn about their latest innovations, including how they work and where you can find success with each product. One in particular is the Flame-Free Press Fittings for HVAC/R. This is an opportunity to have any questions you may have answered about RLS products.

FREE EVENT

- Wednesday, July 17th, 2024
- 10:00am to 1:00pm at the Fresno branch
- Presented by Peter Reifsnyder of Rapid Locking System
- This is a free event
