

# Intro to Air Damper Actuators

RSD is hosting an introduction to Air Damper Actuators training class with Belimo. We will discuss air damper actuators, how they are installed and controlled, and ensure technicians have the correct actuator for application. There will be several hands-on wiring exercises to complete and be able to explore Belimo's product offerings.

**SPACE IS LIMITED!**

- Tuesday, January 21st, 2025
- 12:00pm to 2:00pm at the Tucson training center
- 2055 E 19th St., Tucson, AZ
- Presented by Daniel Brown of Belimo
- Lunch will be provided
