

Advanced Refrigeration

RSD is hosting an advanced refrigeration training seminar with Heatcraft. The course provides fundamental knowledge of low temp refrigeration, proper system service, and more in-depth system troubleshooting procedures. It will focus on components like compressors, condensers, evaporators, and metering devices, along with their functions within the refrigeration cycle.

SPACE IS LIMITED!

- Wednesday, February 26th, 2025
- 8:00am to 10:00am at the Tucson training center
