

RSD Counter Day

Micro Channel Brazing

RSD is hosting an RSD Counter Day event. Here you will learn about welding micro-channel coils, how to braze repair in a live working environment, and make repairs on small surfaces with a delicate touch. This is an opportunity to have any questions you may have answered about micro channel welding and observe a hands-on demonstration.

LUNCH & LEARN EVENT

- Thursday, February 27th, 2025
- 11:30am to 2:00pm at the Concord branch
- Presented by Todd Soltero of RSD
- This is a free event
- Lunch will be provided
