

Fujitsu Counter Day

RSD is hosting a Fujitsu Counter Day event. Here you will learn about their latest innovations, including how they work and where you can find success with each product. Come check-out Fujitsu's full product offering, learn about VRF Technology, and equipment applications suitable for your job requirements. This is an opportunity to have any questions you may have answered about Fujitsu products.

LIVE DEMO!

- Thursday, June 19th, 2025
- 8:00am to 11:00am at the San Jose branch
- Presented by Mike Miller of RJA Group
- This is a free event
- Light snacks will be provided
